

TUNE

Design by Emily Howkins Lange.

The following pages contain a collection of some of my favourite songs. Each page is a different visual representation of that song, or the lyrics from the song. The designs are rooted in a somewhat 'digital' atmosphere, being inspired by computer elements that we use/have used the last 40 years. Not all pages are a direct reference to the song, but [hopefully] inspired an ambience for the tune in question.

Didn't I treat you right now, Didn't I, Didn't I do the best I
 could, Didn't I, Didn't I give ya everything, Didn't I, I tried my
 best just to be around, Didn't I, Didn't I do it baby, Didn't I do
 right, Why you wanna leave me baby, Didn't I treat you right,
 I want the love you need, Oh baby, I was wrong
 need, Oh baby, I was wrong, Didn't I, Didn't I, Didn't I,
 love for you, Didn't I, Didn't I, Didn't I, Didn't I,
 Didn't I, Didn't I, Didn't I, Didn't I, Didn't I,
 with you, Didn't I, Didn't I, Didn't I, Didn't I,
 back, you should be glad, Don't be mad, I must be glad, Sit
 down, And let me kiss ya lovely mouth hey, Didn't I do it
 baby, Didn't I do right, Why you wanna leave me baby, They
 say I didn't treat you right, So much to mean to me, That
 you don't know, Talk to me

stand beside it. It can't hide the way you are as glow It's no good unless it grows Feel this
burning, love of fire Deep inside the ever-burning Tell me, does it feel? It's no good unless
it's real. It's inside burning Wild-eyed thinking 'Til we're running from it I'll take care of you If
you'd ask me to in a year or two You say swimming in the lake We'll come across a snake It is

I'll take care of you That's true I'll take care of you, take care of you That's true I'll take
care of you, take care of you That's true I'll take care of you, take care of you That's true
I'll take care of you, take care of you That's true I'll take care of you, take care of you
